AN EXPERIMENT

MONDAY, JANUARY 19th

Just to find out if Andover is big enough to demand three shows a week and will support them, for the next few weeks at any rate, we have arranged for shows on Monday nights as well as Wednesday and Saturday. For our first Monday evening production on January 19th, we have purchased

"STRANGERS OF THE NIGHT"

featuring

Matt Moore, Enid Bennett, Barbara LaMarr and Robert McKim. This is a thrilling mystery romance. A rollicking melodramatic comedy that is sure to please and keep the audience in paroxysms of laughter and thrills as great as was had in Harold Lloyd's "Safety Last." Also a two reel comedy.
