

A DEPOSITOR WE SELDOM SEE

One of our most active accounts belongs to a busy farmer.

Long ago he discovered the ease and convenience of our banking-by-mail plan. Now he simply mails his deposits to us and pays his bills by check. We seldom have the pleasure of seeing him, yet we serve him often.

We'll be glad to serve you, either in person or by mail.

LOCAL HAPPENINGS

Winter weather. The interior of the J. E. Cannon Co. Department store is being repaired this week. Mrs. Dwight Gillette of Fillmore had the misfortune to break her shoulder blade in a recent fall. James Moore of Nile had his arm broken and was otherwise injured recently in a run-away accident. Guy Wood had his foot quite badly bruised Monday while assisting in bringing the piano down from Masonic Hall. A dwelling house owned by Charles Huntley and occupied by Eldyn Bunnell at Seio, was burned to the ground, Saturday evening. Mr. and Mrs. H. J. Clark have moved from their farm into their new home on Second street recently purchased by them from Charles Baker. Miss Mary Cable, who was obliged to discontinue her studies at Andover High School on account of a nervous breakdown, is reported as gaining finely. There was a health talk given at the Andover library Monday afternoon, which many of our ladies would have enjoyed hearing if they had known of the event. The Presbyterian Ladies' Aid Society will meet Wednesday afternoon, Feb. 4th, with Mrs. Fannie Slocum, Mrs. Slocum and Mrs. Bunt, hostesses. Dinner served at 4:30 p. m. The thermometer went the lowest Wednesday morning that it has been since the establishment of the S. Weather Bureau Station in Andover in 1922. It was 20 degrees below zero by the government thermometer. Mrs. Allen Harvey, who has been in the Olean General Hospital under treatment the past two weeks, is reported as slowly improving in health. Mrs. Harvey was formerly Miss Marie Joyce of this village. The officials of the American Legion have been notified that their show, "The Lost Battalion," will have to be postponed, for a few weeks as the film had been so damaged in transit that it would have to be sent in and remade. The Legion boys expect to have the show later.

When all the neighboring towns and manufactories have been cared for by ice from the Andover ponds, we trust some enterprising citizen may store up a few blocks for the use of the homes in Andover next summer.

Mrs. Edith Holmes, clerk at the postoffice, is working one handed this week. While at work in the office the first of the week, she took a fall, her left hand striking on a wooden pin, which penetrated her left wrist.

In a letter to the editor, Rev. A. D. Shepard of Waterloo writes: "Can't stand it any longer for we are all too interested in Andover and the good people there, so here is my check for \$2.00 to help us keep informed."

Bert Coddington of Hornell received last week, by parcel post, a live alligator, sent him by a relative in Florida. The "gator" is 8 inches in length and very lively. The average growth of the little animals is two inches each year.

A son, Stanley Charles, was born January 28th, to Mr. and Mrs. Charles Rugar of South Main street, Wellsville. Mother and son are doing fine. Mr. and Mrs. Rugar were former residents of this village and are receiving congratulations from their many Andover friends.

James Lester Rockwell, a well known business man and resident of Hornell, and president of the Victor Aluminum Co., of Wellsville, died at his home in that city, Wednesday following an illness of several weeks. Mr. Rockwell, who was 72 years of age, has been a sufferer from a weakened heart condition for the past six months.

Supt. Penfold of the Dairymen's League plant has stored at the Andover plant 630 tons of ice for use next summer and was in Andover, Tuesday, to line up the gang to send to Rose Lake to begin the work for the other shipping points on the N. Y. & Pa., including the big manufacturing plant in Whitesville where 1,800 tons will be needed for the season.

Be "On Deck" at the Auditorium, Feb. 5-6.

Amy A. Crandall

Mrs. Amy K. Crandall died Sunday evening, Jan. 25th, at her home in Little Genesee. Deceased was 85 years of age, widow of the late E. R. Crandall. She was the step-mother of Mrs. M. A. Crandall and aunt of Rev. W. L. Green of this village and was held in high esteem by all with whom she was associated. Funeral services were conducted at the S. D. Baptist church at Little Genesee, Tuesday afternoon by her pastor, Rev. Hargis and interment made at Little Genesee.

Hornell Without Electricity

The Hornell Electric company had a serious breakdown Wednesday, causing business in many places in the city and adjacent towns to come to a shut-down for want of juice. The Hornell Tribune, which is electrically equipped had hard work to issue any paper, all of which was hand set. One school had to be closed. Two big steam turbines generators burned out. It will be several days before the damage is repaired.

A knowledge of it is invaluable to you in understanding the trend of the affairs of the world today. Is the world getting better? Need we fear, when we go to bed, that before morning the world may come to an end in a general smash up? What is Mussolini doing? Is peace among the nations possible under the present dispensation? These and many other questions are clearly answered in this book. Whether you are a member of the church or not you will be welcome at these meetings. Come along and bring your note book.
