Polish Often Covers a Multitude of Sins

It doesn't pay to buy furniture on the basis of gloss. Too frequently it means the basis of loss!

Slicked-up furniture is made to sell. Built-up furniture is made to use!

In the furniture you select at this store seasoned woods and sound craftsmanship within back up the superb finish that lies without.

Yet these triumphs of artistic design and fine workmanship are priced so reasonably that every home-maker can afford them.

The Romance of Furniture

THESE pieces of choice collecting in the reign of William and Mary started the use of cupboards with glass doors so that the proud housewife could better display her collection.

Is Your Home a Social Asset?

The perfect hostess is the woman who has made sure that her home is furnished in the best taste—who is clever enough to know that good taste in home furnishings is a social asset as well as a source of personal satisfaction.

Guests are Quick to Appreciate a Gracious Dining Room and a Comfortable Living Room.

Because we believe in the importance of home furnishings as an expression of personality and as a social asset, we admit to our collections of furniture only pieces and suites chosen for beauty, correctness of style and sound value in quality.

Liberal Credit Terms Make Buying Easy.

A convenient system of deferred payments is always available to those who have a reputation for meeting their financial obligations as promised, and who have proved their thrift by having accumulated cash for a modest initial payment. Our credit office especially welcomes young homemakers with a sincere desire to arrange terms that will enable them to buy the furniture of enduring quality.

The New Federal Radio Sets is Here

The older Federal Radio Receivers have always been conceded one of the highest places—the only criticism having been the multiplicity of tuning controls that made them a little difficult for many to operate.

The new model embodies many refinements and a simplifying of tuning control that makes it a set of the highest merit. The price (\$150, without accessories) places it within the reach of all.
