Tidbits From Our School

A Real Treat and Free to All

The Parent-Teachers' Association has arranged a most interesting program for its February meeting. You will be both entertained and instructed by Mr. Watson's illustrated lecture, "Glimpses Here and There—With a Nature Lover." Also by the health drill which Miss Fish is overseeing and by Miss Wright's reading. You are sure to enjoy the music by Cannon's orchestra. So remember the time and place—Tuesday, February 24th at 8 p. m., High School Auditorium. A real treat for old and young.

To Miss Ferne Green is due the credit for the attractive poster displayed this week on the Post Office bulletin board, and she has the right idea too. You will be sorry if you do not come to the Parent-Teachers' Meeting next Tuesday evening. Come early if you want to be sure of a seat.

Do you know that there are some people living not so many hundred miles from Andover, who are sure that we are living on the inside of the world, now as we have always supposed—on the outside? Still more surprising, they can prove their argument by the Bible. Mr. Watson has visited this community with his camera and will tell you about them in his lecture next Tuesday evening. He will also take you on a brief trip to the largest sponge market in the world, to a turpentine camp and to the most wonderful bird rookery of Florida.

The Seniors are selling tickets for "The Sea Hawk" which will be shown Monday evening, February 23, 1925 at the Auditorium.

There will be no school February 23rd in observance of Washington's birthday.

The sophomores held a party at the gym, Monday, Feb. 16th. A good time was reported.

The junior pencils arrived Monday and are on sale.

The junior bake sale was a success. They wish to thank those who helped to make it so.

The Popularity Contest ends this week. Vote for your favorite.

Miss Loretta Quigg taught geometry class Friday, 14th, in the absence of Mr. Palmer.

At the Allegany County Basketball Tournament held in Olean, Feb. 11-14, Cuba again proved themselves worthy of representing the county at the sectional tournament to be held in Rochester, during March.

Results of the games are as follows: On Wednesday, Almond won from Belfast by forfeit, Cuba defeated Alfred 25-12. Angelica showed their class by defeating Richburg 45-12. On Thursday night Belmont outplayed Fillmore 46-16. Wellsville won from Belmont 34-11, Andover defeated Rushford 19-17.

Kasper of Alfred and Frey of Portville handled these games. On Friday night Almond won from Andover 28-20; Cuba from Bolivar 37-13 and Wellsville from Friendship 36-13. Saturday afternoon Angelica defeated Almond 27-9 and Cuba doubled score on Wellsville, 24-12.

The final game was played Saturday night and Cuba defeated Angelica, 34-15.

Kasper of Alfred and Root of Attica handled the games Friday night and Frey those on Saturday.

The Andover boys had a very good time both in Olean and especially on the train coming home.

*On Thursday Feb. 26th, Wellsville high school teams play Andover high school in the local gym.

 Bravo! I
 Miss Fish thinks she's a cow girl. She rescued a runaway steed—a few days ago.

Miss Cross—"Do you know Lincoln's Gettysburg Address?"
 Kenny—"No! I thot he lived in Springfield."

Arthur (coming from Olean) "Do you allow monkeys in this car?"
 Conductor—"Just sit down in the back seat. No one will notice you."

 Union Evening Service in the Methodist church.
 Prayer Meeting, Thursday evening at 7:30. Bible study of the second chapter of The Revelation.
 At the close of the morning service, last Sunday, six candidates followed the Lord in the beautiful ordinance of baptism. Other's wishing to be baptized may make arrangements with the pastor of this church.

Every chair was filled at the Christian Endeavor meeting last Sunday evening. We have more chairs that we can bring down from the attic and dust off. Make us get them out by being there next Sunday evening.

If the Union Sunday evening services keep growing, we shall be compelled to put an addition on one of the church buildings. A very few empty seats were seen in the Baptist church last Sunday evening. Many favorable comments have been received upon the excellent message brot by Rev. A. W. MacDougald. The men's chorus made their first appearance at this service. If you like good music, come and hear these men sing next Sunday evening in the M. E. church.

Did You Ever Stop to Think

THAT cities are known by the Public Utilities they maintain.

THAT Public Utilities do much to develop cities. Without their service, no city can move ahead.

THAT those who seek new homes, locations for industries or with capital to invest, investigate the service offered by Public Utilities first.

THAT electric power makes it possible for manufacturers to cut down cost of production which in turn, means reduced prices to consumers.

THAT electric power makes it possible for city and urban sections to have quick, convenient and comfortable transportation.

THAT electric power promotes home comfort and increases household economy.

ELECTRIC POWER IS AN INDESPENSABLE SERVICE. IT IS A DEFINITE, TANGIBLE SERVICE THAT NO COMMUNITY CAN DO WITHOUT.

ALL THE NATURAL ADVANTAGES IMAGINABLE CANNOT MAKE A CITY GREAT UNLESS IT'S CITIZENS REALIZE THE IMPORTANCE OF IT'S PUBLIC UTILITIES AND USE THEIR SERVICE IN IT'S DEVELOPMENT. WHERE CITIZENS REALIZE THIS FULLY, NO LACK OF NATURAL ADVANTAGES CAN LONG RETARD IT'S GROWTH, FOR THEY AND THE UTILITIES WILL SUPPLY WHATEVER IS NEEDED.
