### PERSONALIZED STYLE

The Art of Adapting Lines To Individual Figure Needs

Style that becomes? A will-o'-the-wisp, it is—how few women ever really find it. Style is that little touch of romance, of understanding which marks the distinction between what is being worn from what is appropriate for oneself.

Way back in the beginning when Printzess designers understall with unlimited instances.

took, with unlimited imagination, the very important task of developing a quality standard for garments they realized that success could be obtained only through an expression of this principle.

consideration, but there was something quite as important, an unseen quality, which they have developed into the technique of "personalized style." They have, in a word, individualized The visible ensemble, called style, was natura the mode so that it adapts uncertainty the latest, most authentic fashions to the individual womans needs. Each Printzess wrap, suit or dress is created for the requirements of a type each conbines suitability with elegance, harmony of heauty with perfection of line, and a power of design that is lovely in

Through the Printzess art of adapting lines to individual needs, plus the personalized style service which we are the pared to give you, you will find just the coat, suit or dress that is uniquely yours.

2511

day one must be daring rather than conservative if

ie would not be left hopelessly behind.

In our Spring and Summer collections are many

attractive Printzess coats, suits and dresses. No-

tice in them how accurately the principles of pro-

portion have been combined with a subtle sense of

color, and a quick appreciation of pattern and de-

sign. There are models richly simple to meet all purposeful needs; models more elaborate in theme

and color; ensembles which are frankly youthful

and designs pour le sport, which play so large a

part in the wardrobe of the modern woman. In

addition, too, are Miss Printzess models for the
