When You Purchase Rugs Here You Purchase Satisfaction

The appeal of price is universal. It is natural for all of us to want to get something for less than is ordinarily paid. But all bargains do not represent true economy. Your rug dollar must buy, first of all, a guarantee of performance — an assurance of satisfactory service. It must also buy beauty.

While we carry cheaper grades of rugs for those who must consider first cost, we urge the purchase and carry the most complete lines of Whittall Rugs. We know Whittall Rugs are the cheapest in the long run and they are unrivaled in beauty.
