## Buy Tubes as Carefully as you buy Tires

THERE are two ways a car owner can buy tubes.

He can go out looking for price—and get it.

Or he can buy tubes that will give his casings a chance to deliver the mileage that is built into them.

U. S. Royal and Grey Tubes are

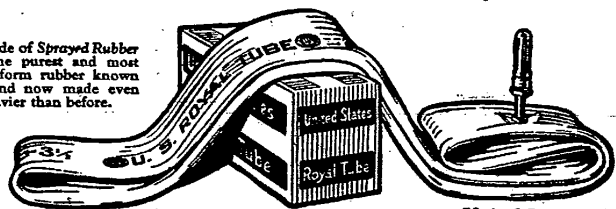

built to give mileage and get mileage.

They resist heat, hold their shape and retain their elasticity.

To get all the mileage out of a new casing or to make an old casing last—put a U. S. Royal or Grey Tube inside it.

## U. S. Royal and U. S. Grey Tubes

Made of Sprayed Rubber—the purest and most uniform rubber known—and now made even heavier than before.

### Former Allegany Resident Dies

Prin. and Mrs. W. W. Palmer and family were called to Rochester Saturday, by the death of Mrs. Palmer's grandfather, D. J. Grusier of that city. Mr. Grusier was ten years a resident of this county, living at Friendship and Richburg. He was a Civil War veteran.

Mr. Palmer returned to Andover Tuesday and his wife and children remained in Rochester with relatives.

### Improvements at Erie Station

After many promises made by the Erie railroad, at last they are improving the station in Andover by the installation of toilets. Three septic tanks have been built, and they are doing a good job, as they usually do when they get started.

Station agent Alderson, is also fitting up the grounds adjoining the station. A fine lawn has already been created east of the station and is being nicely kept, and a bed of flowers may soon be expected to bloom therein.

If you don't look out when you come home from your visit you won't know the place.
