New Things in Art Needlework
Our Annual Pre-Holiday Display

Those who plan to make numerous Christmas gifts enhanced in value through the application of hand needlework, are already making their plans and securing materials.

This year we have not only provided many new and interesting articles to embroider, but have also arranged for the largest display of embroidered models we have ever shown. This gives all who are interested in art needlework an opportunity to examine new stitches, the workingout of new designs and shows just how the finished article looks. The pieces displayed are embroidered by expert needleworkers employed to make show pieces.
