There is no danger of anyone knowing how you vote, as the movement of the Curtain Lever returns the Pointers to their unvoting position before the Curtain begins to open, SO LEAVE THE POINTERS DOWN.

## TWO SUGGESTIONS.

FIRST: Read the Sample Ballot below carefully and decide which candidates you want to vote for.

SECOND: Call up the Town Clerk's office and find out where a machine is on public exhibition, and call and operate it until you are sure that you can vote on it without trouble or delay. A few minutes so spent may save time and avoid trouble on Election Day, both for yourself and the other voters.
