# The Weather Changes

Maybe they're right, maybe wrong. And by the way, the old timers are often more nearly right than be, the truth is that this old earth is by no means sta- but hasn't found a way to keep people from driving on tionary as regards climate, and there is no guarantee grade crossings in front of trains. whatever that we and our grandchildren will experience the same kind of weather.

A case in point is the recent excavation, in a mine mastodon. The animal, scientists declare, never could L Association, told the Nebraska Bar Association that have survived Alaska's present cold. It was a mon- local self government is in great peril and that two warm as Florida is now. 'Twas a matter of years-the preservation of self government.

the story of the weather in grandfather's day, lend a dividual liberties by all government. of the sale of deadly weapons by mail. That includes 1.

prohibition intoxicants.

## Shocking Fashions

inevitable. Anything so extreme as the fishion in skirts The Daughters of the American Revolution, the in the United States. would draw criticism.

National Congress of Parents-Teachers and the Nation-1 on the whims of femininity which are shocking the more fancied evil, such laws are soon nullified by public modest of the weaker sex.

formers don't be careful the limit will be higher than it otherwise would be.

Young America, both the male and female sex, has a notion that whatever it does is all right, and the generations, has given them a careless abandon that is causing some concern among men and women who have studied the social trend.

the future holds in store for the girls. They feel that | W Coolidge will not sanction any price-fixing meas-

many girls left who because of careful home training, would mean a loss to the government. any sane reason, and the fashion will become so com- rectly fixing the price of farm products. Then when it ceases to be shocking, skirts will be- fixing prices on any commodity in general demand,

gin to come down, but they will never drag the earth whether farm products or manufactured goods is wholly, again. At least, that is something to be credited to the common sense of the present age.

The American Association for the Advancement 6 Atheism is another reason for suspecting that the in- and selling farm products directly or indirectly. sane asylums will have to be enlarged.

### More "Blue Sky"

THAT a small group of men, organized under the laws it of Illinois and Indiana, as the Consolidated Realty and Theaters Corporation, should be able to mulch four million dollars from eleven thousand people thru alleged worthless bond swindle, is almost beyond be- A

It would be natural to believe, following the reve-lilations of the Dollings company and the Hawkins Mort-tenced to three years in prison. gage and Loan company swindles, which caught thousands of people in the middlewest, that the "sucker" | list had been exhausted.

But the greed of people for easy money throws caution to the four winds. It causes them to lose all to help defray the heavy tribute that crime exacts thrul sense of reason. They will not profit from the exper- keeping the courts busy a good part of the time. the siren song of "blue sky" stock and bond salesmen. criminals are without money and the scheme would not As long as human beings inhabit the earth, there work, but it might well be applied when the convicted will doubtless be swindles of this character. The de-man has the financial means to help meet the expense sire to get something for nothing will lead some to take that he is responsible for. a chance even tho their better judgment tells them that the only safe and sure way to invest money is on the

### Uniform Marriage Laws

Senator Capper's bill would vold all-state marriage;

All this would be wasted effort if Mr. Hergesheim-1 obsolete relic of the social order within the next two ]

One view is about as extreme as the other. A constitutional amendment will not cure the divorce evil. The remedy will come only thru individuals. Marriage ties would still be insecure with people who were not

actuated by the highest motives. Regardless of the laws that may be passed. 'vorces will not be reduced in number until more peo-, ple are guided by that old-fashioned morality that leads ! man and wife to regard marriage vows as sacred. Meanwhile, few people will take the novelist's per-

the set that looks upon marriage as he describes it. He does not picture the true American home when 'Icannot-know the American home by living in New York or Los Angeles. He will have to go into the small cities)

and girls thought a bobsled party was the last word feel any grave concern about its future. Where one in fun—and they were right—and when nobody thought marriage is a failure, there are thousands of successes, of having to go out on a below zero morning to thaw and the successes are maintaining the true American
