# Have vou visited an electrical store lately?

TTTHEN electrical devices were crude, VV but new, they aroused more interest than they do to-day when they are perfected and practical and economical.

Perhaps you do not realize what great progress has been made. The next time you are down-town, stop in at some electrical store. You will probably be amazed by what you see.

There is scarcely anything in daily household work that cannot be done better, cheaper or quicker with the aid of some electrical device.

#### APPOINTMENTSWERE MADE BY DEMOCRATS

Party Gets Control Again of Hornell Common

At a red hot session of the comnon council, last Monday, the first that Mayor Stephen Holands has attended in weeks, more than a dozen appointments were made for the ensuing two years and much other business was transacted. The Democrats exercised their working majority in the council and ousted two of the best known Republican office holders and also sought to dictate the other appointments.

James J. Bachle, Democrat, was elected city clerk in the place of William J. MacKay, Republican, and Al Harry L. Allen, Democrat. Harry H.
