the river all winter may know better but he doesn't buy anything.

Melodrama in Life

MANY are shocked when they go to the movies and A see a crook play. It is a bad example, they rea-Doubtless it is, but such stories are largely

FEB. 8, 1925. Martin Durkin, bandit sheik, amply demonstrate. The superlative in thrilling crook fiction or movies b tered into the spectacular career of Marty Durwin, arrected for the murder of a Chicago policeman and de-

There was the beautiful country girl bride, daughter of the village blacksmith, swept off her feet by the the pretty sweetheart abandoned in the city, jilted for h the simple country lass; sorrowing parents who were also misled by the prosperous looking bandit; an epic 🔀 tale of daring by Durkin whose suave tongue and manner enlisted the protection of western sheriffs; vengeful police and a nation-wide hunt in which the federal 🛂 department of justice played a leading part.

Melodrama that can't be found in the cheapest novel is here spread before the eyes of America. lacks, however, the moral that the fiction and movie stories teach. In this case the villian snaps his fingers at the law and laughs at suggestions of the gallows. Silly, bobbed-haired flappers send him flowers and [4] mash notes. The moving drama appeals to their 20th

century romanticism, and they will probably be unimpressed when Durkin pays the penalty of his folly. What most people are concerned about is the state [9] of mind, the background from which the Durkins and the Chapmans and their like emerge. Why are they and what are they? Have they no sense of reason or i

In any event, it is a twisted, perverted mentality, 🔀 This gentleman has sought to show the father of lacking in common sense. A diseased mind, certainly, our country, whose birthday we soon celebrate, little but how to correct the conditions that produced it is a

Government in Business

Washington bound his employees. One particularly TTARRY S. NEW, postmaster general, comes to the F shows Washington's attitude toward liquor even in a III defense of the government in business, in an open I day when tippling was indulged in without arousing letter to Congressman W. W. Griest, chairman of the house committee on the postoffice and post roads, ex-: 5 One contract having to do with the employment plaining the attitude of the department towards the

This is the basis for the complaint of newspaper publishers everywhere against the government becom-In this instance, at least, it appears that Washing- ing a competitor—an unfair competitor, if you please
