INTRODUCTION

A modern chronicle of the bewildering situation which confronts the young married contingent of every village, hamlet and town-a straight. forward record of the flirtations, problems, adventures and romance that colour the crowded hours of America's youth.

interesting young friends-interesting because among her laughter-loving comrades you will meet personalities with whom you are familier in everyday life. In Sallie's coterie of friends you will recognize the characteristics and mental equipment of your own daughter perhaps, or again you will see the moral battles which at one time embarrassed some very friend, or, who knows but what as you follow Sallie's confession of events you will come face to face with some inherent remissness of your very own.

Curtiss Criticizes Sallie's Actions.

We were alone in our suite of tonight the that the whole scheme rooms at the hotel. The excitement of things had toppled over. Mrs. De. l of playing roulette, of seeing Ellie Wight kidded me about being had had a stimulating effect. It was giveness on the grounds of being impossible for me to go to sleep, hopelessly uxorius." However, I undressed and slipped "Thanks, That's a pretty cominto bed preparing to meditate upon pliment. You see, you, yourself,

Spring Silk Exposition

The entire first floor will be devoted to this great Exhibit and sale of Fashion Fabrics. This has been n annual feature with us for so long that we feel sure our friends will be gratified at this early announce nent. The New Textiles have been ordered in early this year, due to the early advent of the Easter Sea

The productions of America's best manufacturers are this season truly marvels of artistry and beauty some of our great mills have, at great effort, secured the aid of Europe's famous designers in evolving the tyle designs for this season. One, a Russian, and another a French master in designing from Parisian chools of art, present the utmost in imaginative and artistic creations. You will find this true when you vamine these beautiful fabrics. The scope of this Exhibition is too large and too varied to permit of ade-

uate description in an advertisement. This is more an annual invitation to he public to view this truly, very great display of textiles. The great notes in this feature are correct, authenticated style; the novel, the lovely colors and tints, and the extreme beauty of designs. Enumeration of Textiles America no longer has to rely on on Display reign dyes, nor foreign dyers.
