Why Not Buy From Yourself?

There are twenty thousand customers of the companies comprising the Buffalo. Niagara & Eastern system who really buy their electricity from themselves.

They are stockholders as well as customers. As customers, they know that they are buying their power at the lowest economic rate. As stockholders, they receive a reasonable return on a good investment.

Your bank will give you all details about the preferred shares of the Buffalo, Niagara & Eastern Power Corporation.

Why not put enough money into this sound and conservative investment so that every time you receive a light or power bill you will know that you are really buying from yourself?

> The Niagara Falls Power Company sells electricity at the lowest average price received by any generating system on the North American Continent.
