EASTER—The World's Greatest DRESS-UP TIME

OR EASTER SUNDAY men become more critical of the apparel they select than at any other time of the year. It is then that they demand tailoring and workmanship in their clothing, the merits of which are constantly evident down to the smallest detail.

THAT IS WHY hundreds of men invariably come to Schaul & Roosa's for their Spring Clothing and Furnishings. For here they know that whatever they choose will possess all those major points of excellence—in fabric, style and tailoring—which give them that comfortable assurance of always being well dressed.
