Will Bob Stay!

ANDOVER NEWS, FRIDAY, APRIL 30, 1926.

Madam Berthe spoke of that fuzzy and bristly line, i. that makes "roughneck" a universal term with application to male or female sex, and gives the neck the appearance of needing a good scrubbing. It can be zipped clean, but when the hair is at odd length, tool long to wear as a bob and not long enough to build into | lexacting artistry.

All of this is in favor of bobbed hair. It is safe to predict that not many women, the tiring of bobbed hair, will have the patience to pass thru the "transi- 1. tion" period.

Gun Toting

WELL known jurist scored gun toting, in sentenc-H ing a negro for carrying a concealed weapon without a permit, and said that he favored a federal statute prohibiting the sale of firearms by mail order house. There is no defense for gun toting. If a man car-'Iries a gun long enough, he will be sure to find someone This is planting time not alone for the farmer, to use it on eventually. The fact that he keeps a weapbut for the urban resident as well. If he has no gar- pon concealed on his person makes him a menace to m society, in addition providing an easy means for him la

A man may carry a revolver for years without an h. place. Visitors time without number have marked the officer of the law having any knowledge of it, and when well kept lawns, the artistic shrubbery and the stately the gun has been used, the law against carrying con-
