OUR KEYNOTE: "If There is Not a Way, Cut a Way."

Entered as second-class mail matter under act [nual Report for 1925." Congress, at the Postoffice at Andover, N. Y. Subscription Rates \$2.06 money he carries is his annual toll from the American

Mother's Day

THE observance of Carnation Day by War Mothers of officers of the Hawkins Mortgage and Loans comeverywhere in the United States, on Saturday, May pany and the R. L. Dollings company a few years ago 8th. in connection with Mother's Day, the second Sun-should be a lesson for those who would take a chance day in May, is typical of the true mother. The War on unknown investments, but if statistics are true, the Mothers gave their sons and still they "carry on," for fake stock salesman continues to take his toll. the war sick and disabled, when the responsibility should be resting on other shoulders. This trait of motherhood is one of the reasons why

the people of America finally have come to recognize late when the widow's money has been lost. It rests mother publicly by setting aside one day a year when with the investor to put an end to this type of swindle. she is first in hearts and thoughts. Observance of Mother's Day is a splendid testi-service of the investor to provide information about V monial to human character and a refutation of the charge that people are mercenary. Few hearts can be of large returns. Better still, your banker is an almost V

steeled gainst the appeal that comes with Mother's Day. infallible guide in such matters. Before trading off!" Mother and the ideal for which she stands—the sound securities that are certain to bring in a fixed sum center of home-has been the subject of verse and | prose because she possesses qualities that are realized promises, copeult your banker and then follow his adby men. She places service above her own needs and vice

The principal qualities of mother love are sympa- asked for advice, and then it has been disregarded comthy and appreciation and a practical sort of love that pletely. Much sympathy should not be lost on this manifests itself by giving all it has. It is this spirit class of people, if they have not the judgment to follow V of sympathy, appreciation and practicability that makes the course prescribed by men whom they know and in mother unspeakably precious to the civilized human whom they have confidence, but instead accept the glit-

All in Twenty Years

TWENTY years ago few people dreamed of what i present day automobile traffic would be and a still achievements of the automobile.

Two decades ago the purchase of an automobile even a period when the buying of space in a newspaper of being chronicled in the news- meant that the purchaser could say practically anything No trip of any consequence in an automobile; he cared to, regardless of facts, as long as no libel suit escaped the eagle eye of the newspaper editor. It was was involved. Things have very much changed since duly "written up" in his best style because it was news, the periods referred to. Advertising is a distinct and In those early days there were few venturesome very important feature of practically all publications. people who would attempt to drive to a town twenty Newspapers now establish a standard of advertising miles away and back all in the same day. It was a and strictly adhering to the principles set forth, gain common occurrence for the operators of horseless car- friends and importance thru their advertising columns riages of that day to brave bad roads and irate farmers as well as in other departments. whose horses ran away and demolished buggies and
