Tirestone TIRE DEALERS Serve You Better and Save You Money

We have the tires and the tubes that are delivering thousands of extra miles—

Firestone Gum-Dipped Tires

Every fiber of every cord is saturated and insulated with rubber. Used by the operators of the biggest taxicab, motorbus and truck fleets. These big buyers measure mileage and demand Most Miles Per Dollar.

Firestone Steam-Welded Tubes Steam-Welding vulcanizes the splice in live steam—a special Firestone process -assuring an air-tight tube, so important to the life of your tire.

You, too, can get the extra mileage, economy and comfort now enjoyed by the big transportation leaders and by hundreds of thousands of satisfied motorists, by equipping your car with these wonderful Gum-Dipped Tires and Steam-Welded Tubes. WE TAKE YOUR OLD TIRES IN TRADE and will give liberal allowance for unused mileage. Come and see us.

Oldfield Tires and Tubes

Let us show you why Oldfield Tires and Tubes have made such a good name for themselves. Compare these tires and tubes with any others on the market.

Made in the great Firestone factories by expert tire builders, and carry the standard guarantee
