Memorial Day Again

COMES once more Memorial Day—fraction of the cans. twelve months that is fragrant of the unforgotten. and longing, of sorrows that soothe even while they its avowal of gratitude.

flowers. It is the end of May, the season of buds and proaching summer.

grave glows like a garden. gun, no glitter of bayonet, no gleam of sword. But, to become one, and so takes a great deal of pride in his h. there will be in it something more impressive even than house and its surroundings. moist with tears in the presence of that column and to the business districts.

the meaning of the day of flags and flowers. of the sort that the people of a nation must have if their husiness district. institutions are to endure, if the victories they have won are to be kept, if the progress they have achieved) is to be made secure. In the beginning, Memorial Day was designed a.

which the American people pay the tribute of love and " Memorial Day will ever fall into disuse. There scarcely a man in all the land who would not be out-i. raged at even a suggestion of its abandonment. will endure and it will be honored and observed as long spending agencies in line. as the nation shall keep a place among the peoples the earth. It's universality makes it secure.

The world averages 16,000,000 thunderstorms a year, not counting those of a private nature in every!

Home Owning

LARGE majority of the people of Andover could lems of government. A own a home if their desire for home ownership were great enough. The per cent, of home owners is un-officials know that the lack of interest on the part usually large, due in a large measure to the absence of those who pay the bills makes it possible for them to suitable rental property, but it might be much larger. manipulate affairs as they please. year—the season when hope springs anew and when cials are unworthy of their stewardship, but the pitiful nature sets about the task of reviving the beauties absence of interest on the part of taxpayers in the afwhich she is capable of producing—is the natural time fairs of government puts an unfair burden on the honfor home building.

The first step along the road to independence is to laggards to slip thru. own the house in which you live. The man who has a deed to the place where he resides is the respected, the trusted man in his community. The home owner has a deep sense of civic pride.

that tends toward the peace, security and the improve ment of the place where he lives.

There are few excuses for not owning a home. ed only thru owning a home.

The independent man makes an effort to own his home and by persistence he succeeds. and jotting down ideas of what they would like their)

Far too many have been waiting for "prices to.

It's not reasonable to expect the building material grave responsibilit. brick mason to work for lower wages so long as price of everything else remains correspondingly high. There is no time like the present to build your Build now and help make Andover in every sense of the word a city of homes—the best place o.

Italian III. with the Amundsen expedition and Amundsen, himself | 100. la Norwegian, may be added to those of Byrd and his pilot, Floyd Bennett, and Admiral Peary and Matt Hensen, as the men who have seen the North Pole and have risked their lives to add to the knowledge of the lim

The credit belongs to no single country, but there is enough to go around. The Norge was constructed in. '- Italy; Ellsworth, who financed the dirigible flight, is] an American, and Amundsen a Norwegian. The two men who had previously reached the pole were Ameri-

A Business Clean-up

pain, it is at once the nation's expression of grief and THE springtime is the season of house-cleaning. Formerly this was practiced only by the ambitious h. Following a custom that reaches back to the child- housewife, but now municipal spring clean-ups have hood of most of us, this community will make ready for become quite the thing. The practice is a good one and fitting observance of the sweetest, saddest day in all should be made universal. Nearly every enterprising city and town now has a spring clean-up campaign. Out in the orderly avenues of the city of the dead, The trash and other accumulations of winter are carried eager feet will be hurrying, bearing a wilderness of away and things are made spick and span for the ap-

blossoms, and there are tokens of remembrance for all Unfortunately, however, in many communities the who are gone—for all but the forgotten. Almost every spring cleanup is confined almost entirely to the resi-Idential districts, and the business districts are apt to It will be an old, old, old scene to most of us, but be neglected. The residential districts of nearly all of h in it there will be an eloquence irresistible. There will our American cities and towns are now beautiful. The be no flash of soldier finery in that column, no glint of average American is either a home owner or is anxious h

the majesty of a charging host. Cheeks will grow The same pride ought to be exercised in regard h

Why wouldn't it be a good idea to have a spring h. treasure will never grow less. On the heart is written districts too? The well-kept and orderly town is al- ; It is all sentiment, to be sure, but it is sentiment tions will not entirely make up for untidiness in the L

Public Stewardship

appeal that was universal. It has come to be a day on ments are running ahead of the apparent growth of the A saving of more than a billion dollars a year L memory to all their dead. There need be no fear that might be effected by checking waste and extravagance lin government, he said, and advocated the cutting of

budgets and reduction of taxes to hold the various The application of business methods in government is a sound suggestion. It is being followed more Ithan ever before, but more important still is the need in. of tax-payers making public office holders understand and realize the importance of their stewardship.

This is accomplished best by compelling a public . accounting by officials. No plan to eliminate waste in h. Igovernment will be successful, however, unless the people who pay the taxes take enough interest in public h. affairs to vote on election day and to study the prob-Dishonest, unscrupulous and irresponsible public

Compare Our Groceries

Comparisons are always welcome to us because we know that they will be to our advantage. When we buy, we compare the prices and qualities of the goods offered by the wholesaler.

When we sell to you, we expect you to do the same with us. It is the wisdom of buying. COMPARISONS BRING US BUSINESS

If you are not already one of our customers try an order today. The comparison will keep you coming.
