Compare Our Groceries

Comparisons are always welcome to us because we know that they will be to our advantage.

When we buy, we compare the prices and qualities of the goods offered by the wholesaler. When we sell to you, we expect you to do the same . with us. It is the wisdom of buying.

COMPARISONS BRING US BUSINESS If you are not already one of our customers try an order today. The comparison will keep you coming.

From whence the Rivers come Thither they return again"

Thus in the beautiful simplicity of the Bible's words is quite clearly and accurately described the source of all water power.

When those words were written in Ecclesiastes, no one had yet thought of gravity or evaporation or hydro-electric development or any such technicalities of modern science. But you would look a long way to find a better description of the majestic cycle of Nature's unchanging laws that provides mankind with cheap, abundant, unfailing and inexhaustible power.
