### Ford Service

The Ford Motor Company of Detroit, appointed us Authorized Dealers for Ford Cars and Fordson Tractors in this area, to properly represent Ford interests, to give service to Ford Owners. The company in return demands that we equip and maintain an adequate service station employing Ford mechanics, using only genuine Ford-made materials and charging regular Ford prices.

This is the service we are giving to Ford owners. Material—workmanship—prices, the standard of each guaranteed.

When your Ford car needs attention, bring it to us, and get the benefit of expert Ford mechanics, and the benefit of us having the parts your car may need. We give you the assurance of genuine Ford service, with genuine Ford-made parts.
