You Pay No More for an USCO than for an Unknown Tire

USCO Tires are made by the United States Rubber Company—the world's largest rubber manufacturers and owners of the largest rubber plantation in the world.

Balloons, High-Pressure Cords and Fabrics are made to give the man who wants a moderate priced tire all the value that can be built into it.

Every USCO Tire carries the standard warranty. And they cost no more -in many cases, less-than tires of unknown origin and doubtful value that you may be offered as "bargains."
