____ THE CLASS WILL

TIDBITS

Board of Education, Parents,

School, of the City of Andover, America, I have called you together upon this solemn and serious occasion to listen to her last will and and to receive from her dying hand the few gifts she has to ting so rapidly loose from life, and finding so many things of such gigantic proportions to be attended before the end should come, realizing at the same time that she longer had any time left to spend in cultivation of her own virtues, she nouncement, a wild scene took place! amidst most frantic pleading and scrambling among her friends for as generous and impartial and dis-

'talents that have served her s faithfully these four years. These are her decisions, definitely sideration. Owing to the flighty condition of her brain, and the unusual disturbance in her gray matter, she begs me to state for her that she may quite possibly be mistaken in her inventory, but such things as you will accept them as a sacred cipe: trust from one who has gone be

she has in her power to bestow, the
