Your Importance

Dairy Products

Before you were awakened by the alarm clock this morning, scores of people were busy preparing some article to captivate your fancy—to provide for your daily wants or give you a new luxury that will make life more enjoyable.

Long after you go to sleep tonight, alert minds will go ahead planning what to say to interest you in the days to come to convince you of the excellency of their product and your need

You loom large to a great many people. Regularly thru their advertising they earnestly try to attract your attention and earn your good will, which means in the last analysis, your patronage.

Practically every advertisement you find in this paper is aimed straight at you. As clearly and responsibly as tho he spoke with you face to face, the advertiser offers you comfort, convenience, entertainment, service or economy. Or perhaps all these precious things in one article.

The advertisement makes its pledge to you—personally yourself. How much it is worth your while to heed such personal messages.

> In More Ways Than One It Pays To READ THE ADVERTISEMENTS
