The Primary Election

and that will not matter much either way it goes. The cannot give. enmity that has been aroused by the campaign will] better time than right now for the Democrats in Alleone succeeds in securing the nomination.

The way direct primaries are run in New York \. State is not one bit better than the old convention l method of choosing candidates for office. The real issue before the people this year is the prohibition question, and yet the voters are not given the opportunity to exdidate for United States Senate, the only officer who chants if they did not trust them, if they did not believe will have anything to do or say on the prohibition that they were getting value received. question, that will count.

In Allegany county, as in nearly every other county in the state, the delegates to the Republican) Senate will be chosen, will be hand-picked men, who No community can build for a greater and larger fu-State Convention at which the candidates for U. will be subserviant to the dictates of the party boss. who, in turn, has already been hand-picked by the state committee, that is under the thumb of the state boss. who is none other than the wet candidate for nomination for United States Senator.

Thus it will be seen that without question the dry i by men who will vote for a wet United States Senator. That the rank and file of Republicans in Allegany are dry everyone will readily admit. But of what good will their dryness be when their representatives on the i 27th of the month will throw their votes to the wet

Love is the Binding Tie

Love is based upon other things than mere physical attraction. It is isomething composed of esteem, regard, and many other things that depend upon something else than proximity alone. Human nature is so constituted that a man who swears to love a wo-(man till death do them part is reasonably sure that if he behaves himself and returned with her mother to and controls himself, love will be co-terminous with his life. It is upon this law that the promise rests.

When passion has disappeared after a few weeks or months love relover, also Prin. and Mrs. Bert Part-Imains. It is more than the residum of passion. It is something built up cridge and two children of Skaneat-Jupon character, and with reasonable culture it can be depended upon to

In fact, love is one of the most enduring things in the world. It outthives have. It is tough, and the more storms that blow upon it the strong-This is noticeable in mother love which can endure and outlive the greatest disappointments. Long after a child has proved himself unworthy

mother love will continue unabated. Lave does not depend altogether upon the actions of the other party, Letts Thompson motored over but it is inherent in the character of the person himself. Many a wife Sunday from Canisteo. His wife re- or husband keeps on loving in spite of all that is done to destroy that love. If love were what many people understood it to be, a mere gust of visit with her mother, Mrs. Ha passion or a wayward sentiment, there would be no sense in promising Clarke and other Andover relatives to cherish one another forever. Most of the objections to marriage are Mrs. Thompson begins her third year based upon the wrong conception of what makes marriage beautiful. J

Love often endures long after the fires of passion have expired. To those who think that love is merely infatuation are apt to flit from turned Sunday, to their home in Hower to flower, while those who conceive of love as a child of loyalty will
