PUBLISHED WEEKLY BY J. HARVEY BACKUS & SON

OUR KEYNOTE:

"If There is Not a Way, Cut a Way."

Entered as second-class mail matter under act of Congress, at the Postoffice at Andover, N. Y.

The Political Situation

IN ANOTHER few days all the secrets will be out and party all is harmonious. Candidates and the platform out the program of the Democratic party.

On the Republican side there is discontent, un-case, and at each time, on the facts. certainty, fear and distress. Candidates are not avail- It will always be good form to refrain from smokmake their decisions, not upon emotion or sentiment, bad taste, besides being futile. but they base them on the experience which they have while administration the state has ever known.

With Governor Smith and Senator Wagner head-J ing the Democratic ticket, the record is clear. Both men are known to the voters of the state, Senator Wagner little less than Governor Smith because of his LABAMA has given other states an example of swift in the work done by Governor Smith. He also was a well be emulated by other states. familiar with the record of Senator Wadsworth. That father-in-law, Judge Lamar C. Smith, in order to get record is being carefully written by hands other than control of the wealthy jurist's estate. those of politicians. The women of the state have Bachelor was convicted and sentenced to death the strong, steadfast, high-principled leader, he would diately. like to appear to be, Senator Wadsworth's record shows Many students of the subject believe the law's de-

The way some folks act, it seems that the missing example of what prompt action of the courts in criminlink didn't miss by more than one or two jumps.

The Community Backbone THE business men of Andover are the backbone

and firm.

used with the full understanding of its meaning. The ished. backbone is a column of bones in the back of the body that sustains and gives firmness to the frame. Hence, the term has come to mean firmness, moral principle and steadfastness.

When there is a chautauqua, a fall festival, a

Some do not give the home-town merchant the sentiment is growing more rapidly in the South than good grace. He did not work from settle down all around us. credit he deserves. He is entitled to more than the re-lin any part of the country.

tailer elsewhere, or the mail order house, because he is the backbone of the community, the central force tributing their share. The northerner goes south in men leave him lonely. A god of sight.

have a legitimate profit to live. None should deny him and a good American. that. And the truth of the matter is, local merchants sell goods at, or less than city prices, and if we will be we stand firmly on fundamental principles, will bring is somewhat mixed; our bigotry fair enough to admit that it costs money to go to the us a better and even greater America. city—the expense of bus or car fare, gasoline and wear on the automobile, time spent and shoe leather l worn out—it is cheaper to trade at home, to say noth- but age decrease the value of one and increase the value

We have our ups and downs. The optimist looks

ing of the spirit of reciprocity that should be shown of the other. by every loyal home-town citizen.

spayments on the car. Early to bed and early to rise and you'll always

who will sit thru a movie twice.

The weather man doesn't seem to understand (this country is supposed to be dry.

Passenger airplanes have sleeping compartments! is only a question of time until they get around to milk. but parachutes would seem better equipment.

A Season of Uncertainties

THE late summer has been a season of uncertainties !! 🛦 on the farm. The time of harvest as a rule breeds 🗗 timism, but this year it proved to be most diabolical, [working to cause heavy loss in grain crops. August and September rainfall has been the largest in many years, producing floods almost as damaging as those in the

These extraordinary weather conditions have dissuraged farmers, but it might be worse. The troubles V are real because of grain rotting in the field and other | |

However, many of the difficulties that the farmer expecting to encounter this fall probably will not materialize. It is that way in every field of activity. ike the rails of a railroad which seem to join together in the distance but never do, so most of us are contantly conjuring up in our minds troubles that we

The farmer is not altogether to be blame for viewing the future with trepidation because of the great dependence he is forced to place in the weather. There is no need for him permitting fear to become the ruling passion of his life. If he does he becomes a pessimist and his usefulness is practically ended.

No man in any walk of life can be of any great value to himself or his community when he sees only," the dark side. Only thru faith in the future can great things be accomplished. It must not be a blind faith, but one mixed with a liberal portion of common sense! and a good rich mixture of elbow grease.

It Will "Blow Over"

everybody will know everything they have wanted [PIRLS' colleges all over the country have up the questo know for a considerable time.
