CTUDYING over the problem of what we ould do to help Andover, whose people have given us so liberally of their patronage the past twelve months, we have concluded that what Andover needs most i more factories. Therefore, we make the following offer: The manager of the Fountain of Youth, Mr. Harry Drevas, will give \$100 toward a fund to bring another factory to Andover if 75 other Andover people will do the same. At any time Andover people will bring a new industry to town we will be happy to do our part toward financing it.
