# AUDITORIUM

(SPECIAL)

Week of October 31st

We wish to bring to the attention of the public, in general, and also to the Motion Picture Patrons of Andover and surrounding community, the innovation, which we are about to make, as regards to Motion Pictures, shown in the Auditorium.

After carefully considering the matter, and after making a canvass of the employees of our leading industry, the Andover Silk Mills, and a large number of other citizens and business men, whose desires deserve consideration in the matter of entertainment, we have decided to show one program of Motion Pictures each Sunday Evening, during the Winter months.

The pictures shown on these nights will be carefully chosen, with the intent to have them educational, as well as entertaining and will be strictly moral.

We will time our shows so that same will not conflict with Church Services, in any manner.

We wish to announce, at this time, our first Sunday Evening Picture Show, to be held in the Auditorium, Andover, N. Y., on Sunday evening, October 31st, at 8:30 p. m. Prices will be 10 and 25 cents, as usual. ONE SHOW ONLY.

We will give you clean, wholesome entertainment and will appreciate your patronage.
