"VIBRATIONLESS REYOND BELIEF"

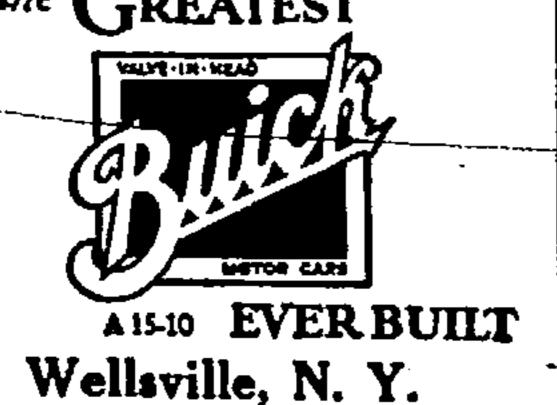

The smoothness and quietness of the Greatest Buick Ever Built defy descrip-

This remarkable motor car is vibrationless beyond belief.

We hope someone else tells you that some other car also is vibrationless.

For then you may be induced to drive the two cars, and compare them.

And you will better appreciate the amazing smoothness, at every speed, which now belongs to

"Silks that are the Expression of the Best Designers and Weavers of America and Europe

This house has always emphasized quality as the chief argument for a good silk, design and finish next, and price that is fair and as low as can be offered last. The purchase of a good silk is like buying a good stock or bond in the safety assured and the maximum of return.

Costume Velvets, Crepe Satins, Flat Crepes, Crepe de Chines, Glace Taffetas, Washable Crepes, Georgettes, Charmouse. These fabrics are the chosen few that Fashion is centering on to bear the burden of activity for the Winter season.

With the bewildering variety of gorgeous accessories and compliments for these luxurious textiles, the selection of the gown becomes an adventure full of delightful possibilities.

Brilliant METAL CLOTHS in silver, steel and gold.

METAL BROCADES, wondrously rich in metallic brilliance and colors.

BANDINGS of Metal, Silk. Velvets and Net; oriental in their richness. These come in different widths. VANDYKE and ROUNDEPOINT BRAIDS and BANDINGS to match, that are entirely new in conception, made of velvet metal and silk

embroidery. EMBROIDERED BRAIDS and BANDINGS of the narrow types are very much used. METAL LACES FOR EVENING are especially attractive.

You are invited to visit this department and inspect this really splendld collection. WATCH OUR EAST WINDOW.
