Christmas Bonuses

so that your neighbors will not know he is a collector.]. THE customary "prosperity" story about Wall Street bonuses has appeared, always a forerunner Christmas. Out in the byways of America it never sounds very good.

That Wall Street employees should receive \$50,-| 000,000 in the form of bonuses indicates that prosperity exists in the home of the mighty more than in WHEN one wishes to imply superiority in any field The year-end distribution of wealth is not con- "world" with the idea of conveying the impression that

fined to employees alone. Stockholders of large com- it is without equal. mercial and industrial organizations have already cut "melons" for dividing this month which run into the Greatest Show," and many other loose uses of the hundreds of millions. In some this may arouse envy, in others a dislike But when Postmaster General Harry S. New tells bordering on hatred for those who have wealth, but us that the U.S. postoffice is the "World's Biggest neither passion should be allowed to gain the upper Business," one cannot but be impressed. Mr. Atlas

hand. Only harm can come from permitting envy or himself would have had some trouble juggling the Those less fortunate in accumulating this world's annual load of letters alone is 133,350 tons. goods should rejoice in the prosperity of others, and count their blessings, such as are not measured by dol- ly to every man, woman and child in the country.

All the while, however, they have the right to won-dropped into letter boxes. that makes it possible to concentrate so much wealth | m. in one place.
