be better in the Pork Barrel than

in the pockets of payers... There is demand for more public And there is the Farm Block. says that if government has money Santa Claus is not coming with his \$250,000,000 bag to the big taxpayers this year.

mpsey's training says the cham pion fighter was drugged with poison Prize fighting is not 100 per cent.

prize fighters absorb after they ge · them in the end. And then there, knocks out all of us.

While this richest country, which war, tries to fly and can't, the d head of us in engineering as it v in chemistry before the war started A German engineer is at work a superplane to carry 10,000 H. engines, ten propellers, 130 passeng ers, a crew of 25 and cross the Atlantic in 36 hours. Mere hearing about that makes a dizzy in this country.

vices that do not go to sleep.

The public should have, but hasn' intelligence enough not to get run over-and not to depend on watch-

oought a turkey and

But a worse tragedy is represent ed by the man of genius. His brain contains intellectual gold nuggets of gigantic size.
But, like the turkey, with

lumps of gold in its inside, the genus cannot tell where he got whence genius comes. Four railroads have increased

shopmen, showing intelli prosperity enough for all, and longer if everybody has little of it.

Prosperity's stepchildren are the cotton growers and the textile manu-Women that used now wear about as much as is used to wrap up a baby.

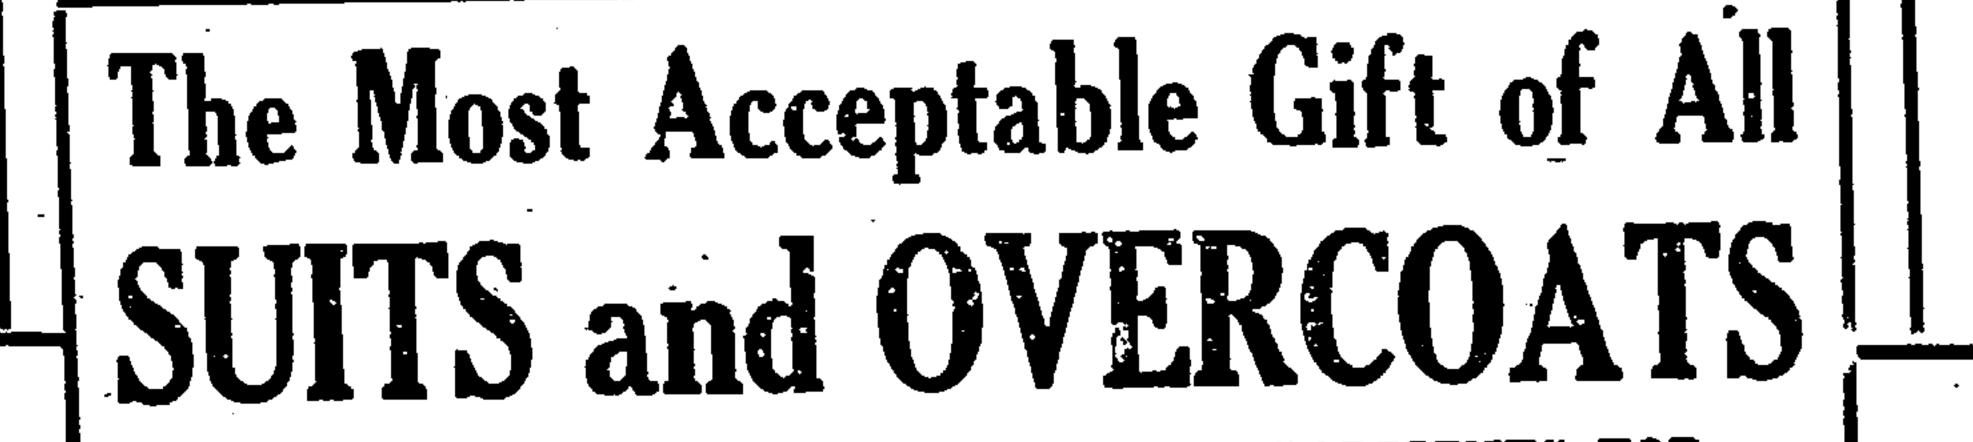

Northern textile workers worry about the removal of their industry to the South, and they may. Coal and iron, side by side, took the iron mills to Pittsburg. cheap power and labor, side by side, naturally take the textile industries

to the South. It has been suggested here occasionally during several years past that a solution of the flying problem would eventually include wireless transmission of power. What' men can imagine, they can do when imaginations run on same lines. electric waves are power and

BROADWAY AT MAIN ST.

Men prefer useful practical things. Such things are best chosen in a man's store where men supply their own wants--a store that has studied men's tastes and fancies. This is such a store. There is hardly a thing that men or boys wear or really want that our stock doesn't embrace. Here are a few suggestions
