For further information and financial statement, consult any bank or trust company or send for descriptive circular.

MORRIS S. TREMAINE, State Comptroller.

## 46 th

This store was opened 46 years a go—it was a small store it was unpretentious in appearance, but with a determination to become the best in this vicinity, for Women's and Misses' Readyto-Wear.

It issued a promise that its merchandise would be better, and that "quality for quality," its prices would be lower than at other stores. How well this promise has been kept is obvious, otherwise we could not proclaim the fact, that this ANNIVERSARY SALE is backed by nearly a half a century of public confidence.

Sale Begins

Sale Ends THURSDAY SATURDAY APRIL 17

Everything in the Sale is new Spring and Summer Apparel of "Style and Quality"—"Style and Quality" is the outstanding consideration of this store at all times—we never buy "cheap" goods to make "cheap" price, for by so doing our good name would be compromised—we do not tell you that goods were made to be sold for "so and so" much, and then quote a ridiculously low price, for that would be a violation of one of the fundamental principles of this store-"Truth in Advertising."

We invite all the women of Andover and vicinity to visit us during our "46th Business Birthday"-you will enjoy a trip to this sale—you will be pleased with the sale prices, the saving will be worthwhile, and you will be delighted with the distinctive and exclusive COATS-SUITS-DRESSES-ENSEMBLES-HATS—SILK UNDERWEAR—SILK HOSE—GLOVES—and other Ready-to-Wear for Women and Misses.
