FIFTH INSTALLMENT

SYNOPSIS Margaret LeFerre marries Luke Maddison, wealthy banker, after he Back. She discloses to him the fact back, to find a new foothold on life; a word. Don't you realize, Danton, that Maddison had ruined him, and ineradicable weakness of Luke Mad-anything—I must have given him the Margaret had married Luke for re-dison: a consuming curiosity as to money back, not because he had any "I was wondering-Mrs. Maddi-J' venge. She does not know that Rex what would happen next, had forged Maddison's name to a At some time or other there had not have dared to face a public intent if I asked you why your husand wanders about London, trying house; the floors were firmer, the may have been terribly cruel, but I Her steady eyes met his.

he meets Lewing, an underworld one of these and showed him into a er. That is the consideration which she asked quietly, and saw that faint character who previously brought room, the comfort of which was made me give back the money to Mr. smile of his. Morell, a friend of Margaret's and of her brother Rex. saw Gunner Haynes one night when Maddison! was with him, and is afraid of him. Haynes is now in prison, and Detec-' tive Bird of Scotland Yard, known } as "The Sparrow," has been makinquiries about Rex Leferre's af-

There is something mysterious about Gunner Haynes, and an even reater mystery as to who killed. Lewing while he is talking with · Maddison and seriously wounds Maddison himself. Luke recovers consciousness two weeks later in a hospital, with nothing to indicate his! identity. He has a heavy beard and" the hospital people call him "Smith." Margaret sees a photograph of the mysterious "Smith" in a newspape but does not recognize it. Meantime she gets a telegram from Paris signed "Luke," saying he will not the hospital, knowing nothing of see something particularly uninvit-tense, more agreeable, almost
