Margaret LeFerre marries Luke Maddison, wealthy banker, after hel never have a cent of his money change a mustache made in a man's serious had happened.

to understand what happened, when "At least, practically," she amend- Browning pistol. he meets Lewing, an underworld ed the statement. "My husband got "Put that in your sky," she said ney whine. character who previously brought a lifer two years ago." him a message from Gunner Haynes, a famous American crook. The two are attacked by Joe Connors' gang, who think Luke is a detective whom Lewing has put on | their trail. Lewing is killed and Maddison seriously wounded. He recovers consciousness two weeks later in the hospital and finds he is known only as "Smith." He decides to retain that name. A messenger from Connors calls at the hospital gives him \$25 and the address of a Mrs. Fraser, explaining that there B a room there for him and that the gang wants to make amends for its mistake in attacking him. Luke goes! to the Ginnett street address and finds a good room ready for him. Meantime Margaret has had

telegram from Paris signed "Luke," saying he has found consolation elsewhere and will let her have a divorce. She doubts that it is genuine. Danton Morell, a friend her brother Rex, calls on her to try to get some money. She horrifies him by telling him that she has giv-While they are talking Gunner the woman.

wants to return it if possible. Margaret sees Luke driving a car in company with a fair-haired girl. She smiled amusedly. The does not recognize her husband, "Why, of course! He did two! with his beard, but overhears a pas- stretches." Luke did not ask what a stretch foot of the narrow stairs.

The man are like as the stretch might be; he had a vague idea that "Come on, Smith!" environment has been asked to be " her chauffeur. He drives her to a communicative Mrs. Fraser, "for a "Wait!" she said sharply. "Who to see him about?" famous jewelry shop and waits at swindle up in Manchester—he and do you think you are?" the curb for her to come out. She Danty were in it—" rushes from the store, jumps in and Luke's jaw dropped. tells him to drive on at once. He' does so, and is amazed the next day to read in the papers of a jewel roba car driven by a bearded man. He heard of him. I think he's straight lowed her down the stairs.

Now go on with the story-Luke dismissed from his mind him?" asked Luke quickly.

thought of without a shudder—he of some importance in the hierarchy sinister in either face. One was "We want to know—" began Ver- (CONTINUED NEXT WEEK) Fraser came with a pair of bright, "No. I don't know him, I've only new scissors to collect the gray heard of him. But what do they tweed suit he had discarded, and to call Danty now?" She frowned in bring him a pair of brown shoes, so an effort of memory. "I had it on hideously bright that they dazzled the tip of my tongue—a swell name.

your mustache," she suggested. She shook her head.

"No, he phoned me." **f**e said in surprise. Mrs. Fraser smiled cryptcially. "We've got lots of things here that people don't know anything She came back a little later with She described Morell in her home-h
