The First Essential of Good Health— GOOD FOODSTUFFS

Good, fresh, wholesome food is an absolute essential to the proper growth and development of the body, and for good health.

DEPEND ON US AND BE SURE You will soon find out that you do not have to # worry about the quality, the freshness and the com-△ plete satisfaction of all our foodstuffs. Everything is always just right here every day of the week. The prices are always low, too. You will find
