CHEAP ELECTRICITY cooks at the table

Tio You dread getting meals in a hot kitchen? Then forget it. Let convenient electric servants prepare whole meals right at your table. There's a table stove for broiling meats and to string sandwiches. There are electric cookers, automatic percolators, toesters, egg cookers, and waffle irons.

And the cost of cooking with these conveniences? A few pennies a meal. For while the price of most necessities has almost doubled, Niagara Hudson electricity costs less today than when silk stockings were a
