## Direct Contrast is Evident in COATS

Luxurious furs against tweedsy backgrounds, collars and cuffs of very light furs against darks, or dark furs against a light ground....these are the newest notes for Fall, 1930. Our coats express these delightful modernisms in dashing fashion. lines, slight flares in the skirt and great suppleness of treatment make them the most charming we have seen in years.

Attention to Detail Marks Fall Frocks

Details which are the result of distinguished tailoring, yet which keep the charm of feminity. Naive and youthful is the silhouette, with its tiny shoulder capes, its amusing sleeves, its slimly fitted hip taking the lead. are représented.
