Marie Dressler and Polly Mora

M-G-M's great pair of laugh-make

# PUBLISHED WEEKLY

By J. HARVEY BACKUS & SON

OUR KEYNOTE: "If There Is Not A Way, Cut A Way"

Entered as second-class mail matter under act Congress, at the Postoffice at Andover, N.

TARENTS everywhere, but particularly in the cities in the way corn is picked. It ought to be an art. and towns, are asking how they can have more of corn picker ought to be as proud of his work as any agricultural interests."

looking at it in this way. its singular advantages that cannot be duplicated in way.

home training, however good and conscientious it may turned over and over upon themselves and against each sheer leaders, and they do not wear slickers with freshother to take off the rough edges and give them their man wisecracks. But they are interested in a way that first polishing, so children are thrown together in the is real and vivid, not forced. great American public school systems as much to learn If some college would plow up its football field of human behavior from each other as to learn of the next spring and plant it in corn it would be amazed to mysteries of Siam and Ceylon and tables of dry and see the attendance at the corn picking contest next

wet measures. And in the past 20 years other influences-fortunately conceived for the best of purposes—have been working to take up the spare time of boys and girls outside of school hours.

family are wondering if the organization system has II culated a petition in a high school and it was signed not been carried too far when it is applied to children by a majority of the students. When read it revealed who do not need its effects.

In many homes scarce an evening is left when all to have their left arm cut off. the members of the family gather together to enjoy | The young people should not be condemned for each other's company. This, that, and the other claim that. The inexperience of youth is sufficient excuse, the attention of the different ages in the family circle. especially when we remember that persons of mature The minies inevitably draw their quota, mother's par- age show as little, if not less judgment on occasion. ties and ather's club or lodge ask a certain number of Everyone is familiar with the fact that the job of evenings a week, and then there are the children's circulating a petition is simple and easy because anyone

Is it not asking too much for the youngsters to go to the trouble to inform themselves, or if they do, have to be drawn into the cogs of organization before they haven't the backbone to refuse the solicitation of they are old enough to know what it is all about? What the petition peddler. has become of the family hearth? This question is heard on all sides, and while the logical answer seems benefits derived from taxation are cheap and paid for to be that it is replaced by the heating equipment in by the other fellow, are badly mistaken. Increased the cellar, one cannot blink the fact that other agencies cost of government is reflected in higher living expenses

in which to really live. interested in the others' problems, each with something tion without reading it. of his own to work on which will contribute to the wel-

fare of the group as a whole. Thanksgiving Day this year may be made an occasion pass numberless laws without even knowing it.

Friendship Man Suicides Clifton E. Robinson, aged 57, was found dead November 13th, at his home in Friendship. The body was CLEAN lying on the floor of the living room

ber tube in his mouth and the other

connected to an open gas jet on the Mr. Robinson had lived in Friendship nearly all of his life. Ill health and financial worries were believed to have been the cause for the rash act. One sister, Mrs. Grant Reynolds of Friendship and several half brothers and sisters survive.

Randolph Home Report The annual report of the Randolph Home reached our desk this week i the form of a nicely printed and illustrated booklet, containing views of the Home and grounds. The report gives the number of children ees we find the names of Mrs. Re as supervisor of Wheeler Cottage for boys and Mr. Nichols as Home carpenter and repair man. Mr. and Mrs. Nichols were former Andover residents and well fitted for

these responsible positions. Here's something to be thankful endable quality food products. course, we refer to the Heart's Delight line.
