

COMMON SENSE THRIFT--

Is simply taking a small sum each week and depositing it in a bank account.

If this amount be only \$2 a week, you will have over \$100 a year. Counts up, doesn't it?

If you are not doing anything like this, suppose you start in.

Call and get a book. Try common sense for a year, and you will never regret it.

Andover State Bank

A. D. Fuller, Pres. Frank S. Clark, Vice Pres. R. O. Snyder, Cash.
