

COMMON SENSE THRIFT—

Is simply taking a small sum each week and depositing it in a bank account.

If this amount be only \$2 a week, you will have over \$100 a year. Counts up, doesn't it?

If you are not doing anything like this, suppose you start in.

Call and get a book. Try common sense for a year, and you will never regret it.

Mrs. Hadsell was formerly from Andover. Before her marriage she was Mary Hardy.

Andover Boy to Enter Harvard

Robert Lynch left Thursday of last week for New York City and from there he will continue to Cambridge, where he will enter Harvard Law School the latter part of this month. It will be remembered that Robert graduated from Andover High School with honors and last June he graduated from Holy Cross College with the distinction of being the youngest member in the exceedingly large class. It is with just pride that Andover bids farewell to a boy going to the oldest institution of learning in the United States.
