WE RING BELLS!

There is something about the ringing of bells that gladdens the heart. That is the reason they are put on cash registers. However, anyone can push the lever—but only a customer can make it mean anything. Good printing tells your story better to the possible customers for your product. Good printing, consistent with your good product, conveys the right impression about your company. Good printing rings the bell on your cash register—with meaning. The oftener good printing makes your register ring, the less each sale has cost you in

advertising. The most effective advertising is always the cheapest. Let us sell you sales thru good printing. We are expert in the printing of catalogs, booklets, leaflets, folders, handbills, posters and letterheads. No job is too large—no job is too small—for us.
