What a Bladder Physic

Should do. Work on the bladder as castor oil on the bowels. Drive out impurities and excess acids that cause irritation which results in getting up nights, frequent desire, burning, leg pains or backache. BUCKETS (5 gr. tablets) is a pleasant bladder physic. Get a 25c test box from your druggist. After four days if not relieved go back and get your money. You will feel good after this cleansing and you get your regular sleep.—Brundage Drug Co.

Attention, New Voters

ALL NEW VOTERS are required to present evidence of literacy (ability to read and write English) in order to vote at the coming election. This may be done by one of the following methods:

1. By presenting a certificate or diploma showing that he has completed the work of an approved eighth grade elementary school or of a higher school in which English is the language of instruction. This certificate may be presented to the registration officials at the time of registering and the new voter will be credited on the register that proof of literacy has been presented. Or the eighth grade certificate or diploma may be presented to the election inspectors at the polls on election day.

2. All new voters who are not able to qualify by the method mentioned above must obtain a certificate of literacy.

Certificates of literacy may be issued as follows:

a. To all persons who have successfully completed the work prescribed for the sixth grade of the public schools or the equivalent elsewhere.

b. To all persons who have not completed the work of the sixth grade, after successfully passing the literacy test furnished by the state education department.

Applicants for the literacy certificate should apply in person on one of the following dates and at the place named below which he finds most convenient. The principal of each school named is authorized to give the examination:

Friday, 1 to 5 p. m., Oct. 23.

Election Day, 9 a. m. to 5 p. m.

Town of Alfred, high school in Village of Alfred.

Town of Andover, high school in Village of Andover.

Town of Independence, high school in village of Whitesville.

Town of Ward, school house at Phillips Creek.

Town of Willing, school house at York's Corners.

The examination for the literacy certificate cannot be given at the polling places nor can the certificates be obtained there. To avoid confusion and delay secure your literacy certificate before going to the voting places.

Determination of New Voter

1. The following classes of persons are "new voters" and must present evidence of literacy to the election inspectors:

a. All men and women born in the United States who became qualified to vote in New York State after January 1, 1922.

b. All men and women of foreign birth who became qualified to vote in New York State after January 1, 1922.

c. All persons who have previously voted in one or more other states, but who became qualified to vote in New York State for the first time after January 1, 1922.
