Why Use a Bladder Physic?

To drive out impurities and exess acids that cause irritation which cess acids that cause irritation which results in getting up nights, frequent desire, burning, leg pains or back-ache. BU-KETS, the bladder physic works pleasantly on the bladder as easter oil on the howels. Get a 25c test box from your druggist. After four days if not relieved go back and get your money. You will feel hefter after this cleansing and you get your regular sleep.—Brundage Drug Co.

and the same and sale and the

treams where of literes (adli-to read and write linglish) in order to whe at the coming election. This may be done by one of the following methods: The presenting a certificate or diploma showing that he has com-pleted the work of an approved sighth grade elementary school or of a higher school in which English is the language of instruction. This certificate may be presented to the registration officials at the time of the innguage of instruction. This certificate may be presented to the registration officials at the time of registration officials at the time of registering and the new voter will be credited on the register that proof of literacy has been presented. Or the eighth grade certificate or diploma may be presented to the the election inspectors at the polls on election day.

2. All news voters who are not able to qualify by the method mentioned above must obtain a certificate of literacy.

Certificates of literacy may be issued as follows:

2. To all persons who have any

ued as follows:

a. To all persons who have suc-eastfully completed the work pres-ribed for the sixth grade of the public schools or the equivalent

cribed for the sharing and of the classwhere.

b. To all persons who have not completed the work of the sixth grade, after successfully passing the literary test furnished by the state education department.

Applicants for the literacy certificate should apply in person on one of the following dates and at the place named below which he finds most convenient. The principal of each school named is authorized to give the examination:

Friday, 1 to 5 p. m., Oct. 23.

Election Day, 9 s. m. to 5 p. m. Town of Alfred, high school in Village of Alfred.

Town of Andover, high school in Village of Andover.

Town of Independence, high school in village of Myterd.

Town of Ward, school house at Phillips Creek.

Town of Willing, school house at

Phillips Creek. Town of Willing, school house Town of Willing, South York's Corners.
The examination for the literacy certificate cannot be given at the polling places nor can the certificates be obtained there. To avoid confusion and delay secure your literacy certificate before going to

the voting places. Determination of New Voter

1. The following classes of persons are "new voters" and must present evidence of literacy to the elec-

sent evidence of filetacy to the tion inspectors:

a. All men and women born in the United States who become qualified to vote in New York State after January 1, 1922.

b. All men and women of foreign birth who became qualified to vot in New York State after January 1

1922.
c. All persons who have previously voted in one or more other states, but who became qualified to vote in New York State for the first time after January 1, 1922.
