AN' FIXIN'S"

taste grand cooked this

modern ELECTRIC way

"T NEVER realized till now," confides one of

Lour customers, "how much time I used to

spend, watching Thanksgiving dinner. Now

with my electric range it takes me just one

minute to put turkey and "fixin's" in the

oven, and then I forget it. When we're ready

This woman and a million others know that an

electric range saves them time. Automatic con-

trol keeps the oven at a just-right temperature.

Another control clicks the heat off when cook-

ing is finished. Does away with oven watching

entirely. And the sealed-tight oven keeps in

food juices—cuts shrinkage to almost zero—

Electricity is clean, too. Pots and pans stay

bright. The insulated, heat-retaining oven is

porcelain lined. And a few cents a day is all it

PROTECTION!

Be a Minute Man

The man who is protected today is the man with money in the bank and who on short notice is in position to grasp opportunity which business and sound investment offer. These Minute-men of 1931 know that money makes money . . . and they save regularly ... keep their powder dry ... and soon are on the road to success. When you bank with us you have available experienced counsel whose job is to help you succeed.
