"Why do you always address the letter-carrier as professor?"  
"It's a sort of an honorary title. I'm taking a course by mail."

**Fyr-Pruf** (Pronounced fire-proof)  
Is a stove polish of unusual brilliance and durability. We have been told by many users that it lasts three or four times longer than other liquid stove polishes.

And wonderful to relate it will clean the nickel on your stove as perfectly as it polishes the iron surfaces.

Try a can if you don't feel that it is worth the cost and more bring in the empty can and we will refund full purchase price.

It is actually fire-proof and may be used on a stove that it hot or cold.

### Razor Free

A new style Gold Gillette at not one cent of cost to you.

Buy a package of ten Genuine Gillette Blades at the regular price of 90 cents and the Razor is yours FREE.

### Cheap and Wholesome

French fried potatoes, when properly cooked and served are a dish fit for a king. They serve the appetite of young and old, and are eaten with pleasure by all people.

Anyone can French fry with proper frying tools, namely a deep Skillet and a frying basket. We furnish them in good quality aluminum with fine mesh basket at \$1.25.

### Over-the-Top

That is the only way water can find its way into or out of footwear that is treated with Neatsalene, the modern water proof shoe grease. Liberal sized package 25c.

### The Next Time

After a bath cock has done its weekly dozen for a score or more of years it becomes rather a job to put in new packings and making it fit for further service.

The next time you are drafted for this act why not surprise the family by putting on a new one when the cost is only \$2.50.

A cynic is a man who knows the price of everything and the value of nothing.

### Passing a Good Bet

It is certainly worth while to learn Dutch Oven Cooking; there is no other way to handle a roast of otherwise tough meat and place it on your table as tender, juicy and appetizing as the finest porterhouse.

You are missing the ultimate in all meats and many vegetables if you pass up Dutch Oven cookery: Dutch Ovens that will last 50 years are now offered here for \$1.00.

### Two In One

Combination Doors, a storm door for winter, a screen door for summer. You don't have to change doors, just change panels.

The door we sell is made from white pine and the screen panel covered with fine mesh best zinc coated screen cloth. We think a soft pine door holds finish, keeps its shape better and lasts longer than fir or hard pine.

Combination Doors priced from \$5.95 up.

### Wet Feet

What a lot of discomfort and dangerous illness has resulted from thin bottom shoes.

The modern sensible way of waterproofing shoes is Cement-on Soles. They are light weight, non-skid, easy to put on and splendid dividends in easy travel and good health.

Available now in both tan and black, and sell complete with cleaner and cement for half a dollar.

Equally good for leather or rubber footwear.

### Long Evenings

It takes a lot of current to properly light the home, but a little thinking and some proper fixtures will cut down the light bill without reducing effective illumination.

A few Table and Floor Lamps that may be placed exactly where needed and fitted with 25 watt lights will give more reading comfort than a 60-watt in the wrong location. Let us show you real values in portable lights.

### White Light

Only from an Alladin Mantle Lamp.

One thing worse than being bothered by other people is being ignored by them.
