A check from Burrows National Bank in sufficient amount to cover Christmas Gift needs — that is what is being received this week by our many Christmas Club members. It comes as a surprise — because the small amounts saved each week are never missed — nor does it seem possible that a sizeable amount could be the result of such easy saving.

Enjoy the same freedom from 1932 Christmas expense worries that many of your neighbors will this year. Plan now for a debt-free Christmas — saving regularly is the easiest way.
