MAKE THIS DELICIOUS JAM with California DRIED APRICOTS

2 lbs. 25c

Here is the Recipe
1 pound of Apricots
1 1/2 cups of water
1 1/2 pounds of sugar
Wash apricots and chop into pieces. Add water and cook several hours. Boil 10 minutes, add sugar and continue boiling for 30 minutes. Pour into hot glasses and seal with paraffin. The addition of 1/2 cup of crushed pineapple is very delicious.

This is only one of the hundreds of good ways to serve apricots. They are equally delicious in pies, in sauces, and in puddings.
