

LINCOLN

Abraham Lincoln represented qualities which we consider outstandingly American. He was a practical idealist. His faith in the principal of freedom and his consistent fight to maintain it won him a perpetual place among the world's immortals. There is, today, a stringency, a restriction in the free flow of money. Let us

face it with the same perseverance as Lincoln faced his problems. America today has a condition of saving which amounts to hoarding. It is not conducive to healthy business, wages, employment or investment. We can struggle out of this slavery to fear by saving sanely, buying wisely.

This is the time when advertising is necessary to success in business, great or small. If your sales are running low or your public suppliers not well patronized no doubt part of it is due to your lack of properly advertising them.

Just Unloaded

A car load of the finest Timothy Seed that ever came into this section. The highest in purity and germination, grown in Minnesota, beautiful plump seed.

Our standard of purity for our high grade, hand picked Timothy Seed is 99.80 and that is 20 to 30 points above that usually sold by others in this market. This car of seed we have in storage today is 99.92 purity and 95% germination. Seed of this quality is worth 50 to 75 cents a bushel more than ordinary contract prime seed, and in actual crop production is worth easily one dollar more.

Our opening price for this high grade seed is \$2.50 per bushel of 45 pounds. We are booking orders and guarantee the price; we believe Timothy will be higher in seedling season and that you will save money by placing your order now.

Our merchandise is selected with care, not with the thought of how low the price, but the most value for your dollar. Almost every item in our line is available in a lower quality at less price. The pictures are exactly alike; the real difference is only discovered when put in actual use.

Select your merchandise with care—be sure you get the most for your dollar and buy from those who protect you with a guarantee.
