Frank Higgins Hurt

Frank Higgins is resting comfortably in his home, 45 South Brooklyn avenue, today, following an operation on the right knee cap sustained when he accidentally fell part way down a flight of steps last week in his home. He was removed home from Jones Memorial hospital Sunday.

Mr. Higgins fell last Thursday while coming down the back stairs in the house. He wore bedroom slippers and in some manner caught them on the stairs, causing him to fall. Friday he was removed to the hospital where the operation was performed.

Wins Championship

Scoring 60 points by winning three places, Robert McCarthy, Dyke street, Wellsville, won the county championship in the annual Red Triangle athletic meet, held in the high school gym, Saturday. He also won highest honors in his weight class. It was the first time in several years that the meet had been won by a Wellsville youth, and the first time that a perfect score had been attained. McCarthy, in the 95-point class, won three places, taking the broad jump at 15 feet 2 1/2 inches; the high jump at 4 feet 5 inches and the potato race in 16 1/2 seconds. Athletes from 14 communities took part in the meet, which was sponsored by the Genesee County Y. M. C. A. under the direction of Associate Secretary Howard Shinn, of Wellsville.

Lad Fractures Leg

The first coasting accident of the season to be reported in this vicinity found William Aldrich, nine-year-old son of Mr. and Mrs. Merle Aldrich, Wellsville, R. F. D. 4, as the victim. William was brought to Jones Memorial hospital Monday night and again Tuesday for treatment of a broken leg.

According to reports, the lad was injured when a hobble on which he was riding with other boys was upset while the boys were coasting on the Fords Brook road.

Dr. F. E. McCarthy, who attended the boy's injuries, said both bones of the left leg were broken.

Facts Against Loose Talk

Predicting that in years to come history will describe prohibition as "America's greatest gift to civilization," Gifford Gordon, native of Australia, and prominent speaker, Sunday night described the great benefit from the dry law during the past 12 years, in the Christian Temple, before a good sized audience.

Pitting "facts" against "loose talk," Mr. Gordon presented a staunch defense of the 18th Amendment, defended American youth, and gave a vivid picture of conditions in other countries where the legalized saloon still exists. The subject of his address was "Hold Fast, America."

He said he was not a representative of any prohibition organization, but was speaking "on his own," from the mass of knowledge which he had gleaned during his wide experience.

Prohibition is a moral issue, as well as a political one, the speaker pointed out, because it is a recognized fact that alcohol is a habit forming drug and a poison. Christians are bound to take steps to keep such a poison from the hands of American youth regardless of their own wishes.

Mr. Gordon, a former Chautauqua speaker, presented statistics showing that there were more speakasies during the time before the 18th amendment, than there were legalized saloons. Such places were run secretly, he said, to evade payment of tax or other standards insisted upon by the state. America must be patient in its fight to gain complete control of the situation, he urged in closing.

He then pointed out that young people who were provided with the right kind of wholesome amusement and occupation, would not have time or inclination for the more artificial environment, which includes liquor and other evils.

With the help of Mr. Palmieri, he then showed moving pictures of a camping and mountain climbing trip, which he said would give one as great a thrill as strong drink.

The annual spring village election held in Firemen's Hall, Tuesday afternoon between the hours of 1 and 5 o'clock, attracted but little attention.
