TILLING the soil is the fundamental step in planting successful crops. Without careful attention to the preparation of the ground profitable results cannot accrue. Good general business conditions are the groundwork for everyone's finances. Buy wisely—save sanely. That is the preliminary necessity.

lot of wives would be perfectly happy if they didn't talk things over with other women.

### Paint Sauce

That is just what we feel like in those people who think they save money by using cheap paint. The paint makers have all been bitten by the Cheap Paint Bug even the Benjamin Moore Co. asking us to push the sale of a paint that they offer at \$1.95 a gallon.

For 20 years we have been building a business with Moore's quality paints and we do not consent to sacrifice this effort. The good will is the best interest of our customers suggesting that they get aboard the Cheap Paint Wagon; rather will sacrifice profits and offer paint suitable quantities for house painting jobs at practically our desired cost.

Suppose we sell you Benjamin Moore's pure Linseed Oil House Paint at say \$2.85 a gallon, then we have done you a real service, and given you more paint value for your money than you can buy elsewhere at any price.

We shall have more to say on this matter and in the meantime if you have a paint problem, come in and let us help you. We may be able to help you.

80 Local Men to Take Part  
Much interest is being created over a great stunt which is to take place here April 28 and 29. It is to be a "Womanless Wedding." Not a woman in it—all men! The only way to believe it is to see it.

A very capable director of the Symphon Levie Producing Company of Bardstown, Ky., will arrive in our city the middle of next week to direct this popular production. The M. E. The "Womanless Wedding" is being staged all over this section this season by this company, and glowing reports come from other towns that packed houses greeted the performance both nights. In Dundee, a few weeks ago, 1,500 people saw this play.

It is a clean, wholesome bit of old fashioned humor that makes the old laugh young again, and the young laugh until their sides ache. In other words, it is one continuous roar of laughter. Many beautiful costumes will be worn by our local men, so plan to see the funniest thing ever witnessed in Andover. Who would you choose for the beautiful blushing bride?
